

WEEKLY REPUBLICAN—1914
DAILY PUBLIC LEDGER—1899

MAYSVILLE, KENTUCKY, TUESDAY, MARCH 31, 1914.

ONE COPY—ONE CENT.

If you are poor, don't blame the trusts. This argument always disgusts. Just give your boss more than you're giving. And you won't mind the cost of living.

Mrs. John W. Osborne has sold her home in Dover and has taken up her residence with her granddaughter, Mrs. Dan H. Lloyd, near Fernleaf.

Miss Minnie Richeson and Miss Mary E. Richeson have made no change in their residence, they are still domiciled at the Public Library, where they are still at home to all their friends.

DEATH OF OLLIE E. KEITH.

Mr. Ollie E. Keith, aged 35, died Sunday evening at 7 o'clock at the home of his brother, Arthur Keith, near Mt. Carmel, of pneumonia.

He is survived by his mother, one sister and two brothers.

Burial this afternoon at 1 o'clock at Mayslick.

The New Edison Diamond Point Disc Phonograph

Shown at J. T. Kackley & Co.'s

ITS FEATURES—No needles to change. Perfect tone. Automatic stop. A new tone-modifier, adjusted by a simple touch, gives any degree of softness or loudness of tone. All other records can be used. Every sound, syllable and word is perfectly distinct. In singing, the human voice is reproduced without any squeaky mechanical defects. It seems the singer is before you. In instrumental music, every instrument, in solo or combination, is absolutely reproduced. Keep your old records; they will sound better on the new Edison, better than they ever sounded to you before on any other instrument. Come in and hear them.

MASON COUNTY COURT NEWS.

Mayor N. C. Ridgeway of Palmouth, Ky., was here yesterday and qualified as administrator of J. Sam White, his son-in-law, who was killed by a C. & O. train at South Ripley in February.

Mr. Ridgeway has filed suit against the company, for his daughter, for heavy damages.

NORMOUS GROWTH OF TELEPHONE BUSINESS.

According to a report on telephones used in the United States, given out by Director W. J. Harris, of the Bureau of the Census, Department of Commerce, over the estimated 20,248,326 miles of telephone wires, connecting 8,726,592 telephones, approximately 13,735,658,243 messages were sent during the year 1912, an increase of 8,665,103,692 over the 5,070,554,553 of the year 1902.

MONSTER GATHERING

Greets Governor Beckham When He Speaks At Wilmore.

Wilmore, Ky., March 30.—Ex-Gov. Beckham spoke at Wilmore today to one of the largest and most enthusiastic crowds that has ever greeted any public speaker at this place.

Before the speaking the former Governor was given a splendid reception by the people of this town and community.

INSURANCE SITUATION

Brightening And 'Tis Said That All Parties May Soon Get Together.

The developments in the last few days in the fire insurance situation indicate that the prospects for a peaceful and early agreement are decidedly brighter.

Statements hastily made by insurance men when the purport of the Greene-Gleason bill became known that the companies would remain out of the State until the law was repealed are not supported by anything in the later attitude of the underwriters.

It is recognized by all the companies that there will be no special session of the General Assembly; that little could be expected of it if it were called, and that any hope of relief by additional legislation must be definitely abandoned.

STANLEY MAY QUIT

Race For The Senate—Democratic Spellbinder Making Whisky Interests Very Torrid.

(Monday's Lexington Leader.) Is Hon. A. O. Stanley on the point of withdrawing from the Senatorial race? This question is prompted by news received in Lexington this morning by way of Louisville.

It is reported from the Falls City, through highly confidential sources, that the active friends and supporters of Mr. Stanley, those who are now and are expected in the future to supply the real "sinews of war," are becoming convinced that his candidacy is unwise, and that he is not making good.

The impression is fast gaining ground that his methods of campaigning are far from beneficial to his cause, and that somehow or other his utterances and the circumstances generally which are characterizing his canvass has positively accentuated the fact that as between him and others in the race the influence of the distillers, the brewers, and the whisky element generally is lining up solidly in his behalf. This, in view of the widespread temperance sentiment now rampant in Kentucky, is considered very dangerous.

Attend the Enchre at the Eagles' Hall tonight at 7:30.

NEW CIRCUIT COURT CASES.

Bank of Sardis vs. A. D. Keith is the style of a suit filed in Circuit Court, Saturday, to recover about \$1,000 and for general attachment of A. D. Keith's property.

Limestone Lodge No. 36, K. of P., filed suit against the Pastime Amusement Company to recover \$327 with interest from March 21, 1914, until paid.

This suit is against the old Pastime Company, and has nothing to do with the present lessee, the Colonial Amusement Company, now operating the Pastime Theater.

W. A. Browning against C. A. Brooking, a land suit in regard to a road running between farms. A line fence or road is worth more money as a bone of contention than a gold mine.

MISS DRYDEN'S NAME OMITTED.

In yesterday's list of Maysville High School graduates, "Class of 1914," the following one name was unintentionally omitted.

LORENE MCKAY DRYDEN. The name was in the copy and the proof, but in correcting the galley Miss Dryden's name was left out. It was one of those unavoidable mistakes, and we ask her pardon.

Miss Nettie Frost is quite ill with tonsillitis at her home on East Fourth street.

A CORRECTION.

The Ledger was misinformed when it stated in yesterday's paper that the Misses Richeson had moved from Court street to West Second street, in the home with Mr. and Mrs. Macy Humphreys, as they merely stored some of their furniture in a vacant room at Mr. Humphrey's home. The Misses Richeson are still at the Public Library, where they have been living for some time.

MAY VOTE ON TOLL QUESTION TODAY.

Washington, March 30.—On the eve

of the vote in the House of Representatives on the repeal of American toll exemption in the Panama Canal, Congress today was completely absorbed in the controversy, verbal artillery thundering throughout the day in both House and Senate.
